

Fact Sheet

Situated in a grove of Camel Thorn trees, overlooking the Khwai River, Mogotlho Safari Lodge is located in a unique, elevated area providing a stunning setting with panoramic views. The location of the lodge in NG 41 makes it a regular host to elephant, buffalo, lion, leopard, and wild dog. The property is unfenced and wildlife roams freely. This is the perfect location for Wildlife Photography and provides excellent birding opportunities with good sightings of waders and raptors in the area among many other species. Activities in the camp include morning and afternoon game drives, night drives in our own private concession, and drives into Moremi Game Reserve along the Khwai River.

A cultural visit to our partners in the Mababe Village can be arranged, as well as guided safari walks within the concession.

For those just wanting to relax, our lounge and deck area offer beautiful views over the Khwai River. Children of all ages are welcome at Mogotlho but must be under the care of their parents at all times.

Transfers are available on request from Maun and Khwai Airstrip.

With a two hour drive from Maun, self-driving is also an easy option.

Perfect en-route stop between Maun and Kasane.

Mogotlho Safari Lodge has a 2 star grading, offering an affordable safari experience in Botswana
